

I'm learning Microsoft Exchange Server 2007 for me.

I'm getting hands-on experience with Microsoft Office Communication Server for my future.

### Take Microsoft Exchange Server 2007 training and get exclusive evaluation software for free.

Increasing your knowledge of Microsoft® Exchange Server 2007 can help you be a valued expert in your organization. Right now, you can make your Exchange Server training go even further. Take one of our select Exchange Server 2007 courses and get an exclusive evaluation version of Microsoft Office Communication Server for free.

### Get more from your Exchange Server 2007 training.

Because we are a participating Certified Partner for Learning Solutions (CPLS), only we are in a position to make you this valuable offer. Now you can experience the power and versatility of Office Communication Server and build your expertise in Exchange Server at the same time. Attend one of our select Exchange Server 2007 courses and get your free copy of Office Communications Server for your training, testing, and evaluation purposes. Unlike most evaluation versions, your edition is fully functional and can be used for an unlimited time in any non-production environment.

Get Exchange Server 2007 training and exclusive free communication software now at:
